

THE BRONXVILLE SCHOOL FOUNDATION

One School One Mission

Annual Report
June 2019

Our Mission

The mission of the Bronxville School Foundation is to enhance the quality of public education in our community by engaging the support and energies of educators, citizens, parents, students and alumni. The Foundation awards grants for projects that do the following:

- Strengthen the curriculum by serving as a catalyst for the development and promotion of innovative programs.
- Support additional training for faculty members and enhance educational resources available to them.
- Provide financial assistance for special school facilities and equipment.
- Increase awareness and support for the school.

We are fortunate in the Bronxville School community to have a strong tradition of excellence upon which to build. Thanks to the generosity of our donors and the ingenuity of grant-writers, the Foundation is able to further empower our school's faculty and administration to provide the best possible learning environment for our students. As partners, we are able to *Enhance Excellence throughout our school.*

From our Chair

Dear Friends,

As the Bronxville School Foundation heads into its 28th year, we look to build upon the consistent support received from school families, Bronxville residents and alumni, and its educators. With such support, the Elementary School, the Middle School, and the High School have seen previous Foundation grants strengthen curriculum, enhance professional development, stimulate innovation, improve facilities, and fund needed equipment and materials. We also celebrate a unique characteristic of our Bronxville community in that this focus comes together in one place, under one roof, with shared resources and goals. One School. One Mission.

Glance through these pages and you will see many of our most recent grants. And notice that together they strengthen our entire school. Newly funded state-of-the-art spotlights for the school auditorium may shine upon a 4th grader playing the recorder, an 8th grader on the violin, or perhaps the spotlight itself will be operated by a high schooler. Lessons learned from four summer days of teacher seminars regarding Innovative Designs in Education may apply differently to the involved 3rd grade teacher versus the 11th grade teacher, but rest assured the 10 teachers that attended will leverage each other's practical applications and insights. 5th grade students will write, direct and act in the recently funded Critical Media PSA Program and those experiences may spark a passion for being involved with Bronco TV and our recently built high tech television studio.

The Foundation is so grateful for our generous donors who enable these grants to flourish and help our children grow. Unfortunately, school budgets continue to tighten, and the support of the Foundation has become even more critical. For those of you who already are generous supporters, we thank you. For those of you have not joined the Bronxville School Foundation donor list, we hope you do so.

Thank you for your support,

A handwritten signature in black ink that reads 'Eddie Sulimirski'.

Eddie Sulimirski
Chairman

2019 Grant Awards

Enhancing Excellence

Program & Curriculum Development

- Duo Jalal Musicians for High School Orchestra
- TV Studio Technical Training
- Fifth Grade Video Creation: Navigating Social Media
- Middle School Video Creation: Healthy Eating Initiative
- High School Mandarin Courses
- International Thespian Society for High School
- National Orchestra Festival for High School Music Students
- "Winning Mindset" Training for Athletes
- Technological Education Conferences
- Puppet Building Workshop for High School Musical

Video Creation

Fifth Grade Video Creation: Navigating Social Media

Puppet Workshop

Puppet Building Workshop for High School Musical

- Culturally Responsive Teaching and Learning

Equipment & Materials

- Headsets for Second Grade Literature Program
- iPads for the Elementary Music Program
- Elementary School Archaeology Pit
- iPads for K-12 Visual Arts Program
- Materials for High School Robotics
- Skeletons for High School Science Classes
- New Computers for App Design in the High School
- Enhanced Football Helmets
- Design Thinking Materials for Second Grade

Archaeology Pit

Elementary School Archaeology Pit

28 Years of Grant Awards totaling \$10MM

Helmets

State-of-the-Art Football Helmets

Facilities

- Innovative Designs in Education: Classroom Redesign Phase II
- Audio and Lighting Upgrades for Auditorium
- Inflatable Batting Cages and Hitting Turtle for Baseball Teams
- Improved Classroom Seating Configurations
- Acoustic Technology for World Language Classrooms

Lighting

Audio and Lighting Upgrades for Auditorium

Classroom Redesign

Innovative Designs in Education: Classroom Redesign Phase II

From our Superintendent

Since opening its doors in 1922, the Bronxville School has been a leading, progressive district committed to providing an excellent education. Guided by the tenets of the Bronxville Promise, Leadership, Innovation, Critical Thinking, and Engaged Citizenship, we hold our students to a high standard. We enjoy a well-earned reputation that could not have been realized without the ongoing support provided by the Bronxville community.

Essential to this is our cherished partnership with the Bronxville School Foundation.

Through the commitment of volunteers who serve on the Foundation board along with the generosity of our community, we are able to provide our students and staff with many exciting opportunities.

The Foundation's grants program allows us to continue to foster innovation and creativity among our students and staff enhancing our status as a lighthouse district. As you look through this report, you will get a sense of the many ways your donations benefit our school and most importantly, our students.

On behalf of our staff, students, and community, thank you for your generosity and support!

Go Broncos!

A handwritten signature in black ink, reading "Roy R. Montesano". The signature is fluid and cursive.

Roy R. Montesano, Ed.D.
Superintendent of Schools

2019 Lighthouse Award

2019 Lighthouse Award Recipient Alice O'Connell, Class of 2020

The Bronxville School was founded in 1922 as a Lighthouse School, dedicated to the ideal that children are unique individuals with a right to an education that helps them achieve their highest potential at every stage of their development. In 1999, the Foundation established the Lighthouse Award.

Each year, the award goes to a member of the junior class who exemplifies the school's educational ideals of enthusiasm for learning, pride of accomplishment, self-discipline, self-esteem and consideration for the ideas and values of others. Voted on by her classmates and faculty, Alice O'Connell is the 2019 Lighthouse Award Recipient. She possesses the qualities of mind, spirit and service that the Foundation supports.

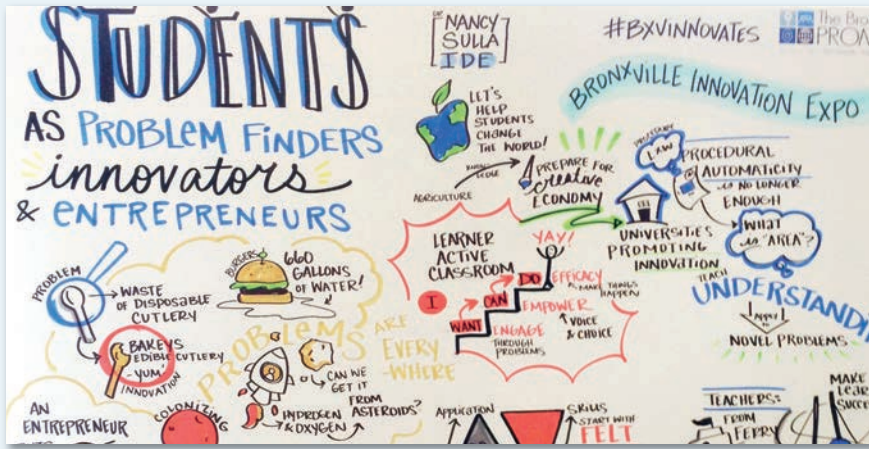

The Annual Katie Welling Memorial Run & Walk

A wonderful community event and a Thanksgiving tradition, hundreds of runners and supporters participate to honor the memory of 2002 BHS Graduate, Katie Welling.

Join us for the Annual Katie Welling
Memorial Run & Walk on Nov. 30, 2019

Why the Foundation Matters

"The Bronxville School Foundation plays a key role in supporting The Bronxville School community by making important investments in our teachers and administrators, our facilities and equipment, our curriculum and our students. These investments help us recruit and retain an excellent team of educators, maintain top notch facilities and develop an innovative and challenging curriculum. Over the last ten years, the Foundation has invested over \$5 million in our school and programs. The Board of Education is so grateful for all the support we've had."

Jonathan Atkeson, President, Board of Education

"I think of the Foundation as a form of seed money for the high school to explore new, innovative ideas. Often those ideas blossom into exciting programs across the entire district. The Bronx River Project began with a small Foundation grant to study E. Coli in the river. Now students in K-12th grade are researching the river. The Third Floor Learning Community, that will be built this year, was inspired by a grant to work with Fielding Nair International that spurred us to reimagine learning spaces in the high school. Foundation grants have given us the opportunity to explore cutting edge ideas that our budget would not otherwise allow. Thank you for believing that we can, and should, continue to innovate."

Ann Meyer, High School Principal

"When I consider how innovation, collaboration, connection to the larger world and student empowerment have shaped our school and our future, it is impossible to find an example that does not include the Bronxville School Foundation at its core. From rethinking the 21st century classroom environment, to supporting systemic change through our affiliation with Challenge Success, to providing FM units to enhance auditory comprehension in classrooms, the Foundation remains integrally linked to the successful implementation of our best ideas. In our school, teachers and students are encouraged to question held assumptions and actively brainstorm new methods and platforms for learning. In this process, we invariably rely on the support of The Foundation to bring plans to fruition and we are collectively grateful to the community for their perennial belief in our school through their support of The Bronxville School Foundation."

Tom Wilson, Middle School Principal

"We are extremely lucky to have the generous support of The Bronxville School Foundation. It provides us with innovative grants that build on and enrich our curriculum. Given budget constraints, the Foundation allows us to create opportunities for our students that we would otherwise not be able to afford. Together, The Bronxville School Foundation and the school work together to create academic and social-emotional growth programs that meet the needs of our students."

Tricia Murray, Elementary School Principal

How the Foundation Makes a Difference

Why We Exist

The Foundation exists to fund important and innovative projects the District budget cannot cover. These enhancements are vital to creating an excellent overall educational experience for our children and keeping our school competitive.

Our Future

The Foundation's work is more critical than ever given the constraint of the NY state tax cap on District revenues. It is only through the ongoing and generous support of the community that we will keep our school and village strong.

What Differentiates Us

The Foundation and the PTA play different, but complementary, roles at Bronxville School. The Foundation funds grant requests, primarily from teachers and administrators, for faculty training, curriculum enhancements, and upgrades to equipment and facilities. The PTA serves as a vital link between the school and parents to support communication, after-school enrichment programs, and athletic and community traditions.

Foundation projects touch every student, elevating their educational experience in academics, the arts, athletics and student support services.

The Foundation enhance excellence at our school by helping maintain the competitive advantages that help keep our community strong and support fulfillment of the Bronxville Promise.

What We Do

The Foundation's 30-member volunteer board works with teachers, the administration, students and parents to identify innovative ideas that will have the greatest impact on the most students. The Foundation board performs extensive due diligence on grant proposals. To fund those ideas, the Foundation raises money each year from school families, alumni and community members.

What's Compelling

Foundation funds have direct and immediate impact by making many cutting-edge curricular and technology improvements possible. The grants are fast and flexible — many projects funded in May are up and running in classrooms in time for the new school year.

School & Community Impact

The Foundation positively impacts all three schools by supporting academics, arts, athletics, student support services, and faculty. By maintaining vital connections with alumni and the broader Bronxville community, the Foundation provides a means for all constituents to partner for Bronxville School's progress.

Ways to Give

Most donors give during our annual fund drive in the fall when Foundation board members send letters out to the community, but gifts are made throughout the year. We also sponsor the **Katie Welling Memorial Run**, a great community event on the Saturday of the Thanksgiving holiday. Alumni support the Foundation through the **Alumni Fund-Raising Drive** and the **Alumni Brick Walk** in which alumni (or their families) purchase inscribed pavers for the brick walk in front of the school. Gifts can be in the form of cash, securities, or life insurance. Some donors give "In Memory Of," "In Recognition Of," "In Honor Of," or as planned Gifts/Bequests.

Thanks to the generosity of our community, total contributions for 2019 were \$519,487.

Designated Foundation Gift Funds: Endowment Fund:

You may choose to donate to the Foundation's Endowment Fund to provide a reserve of support for the Foundation's work. Appreciation and interest earned by Endowment Fund investments currently cover all Foundation overhead so that every dollar donated goes directly to funding grants.

Other Designated Foundation Gift Funds:

Fund for Science Education
Fund for Special Education
Robert K. Jackson Fund for the Performing Arts
Dr. Erna Christensen Fund for Language Arts in Elementary School.

One School One Mission

More Ways to Give

Corporate Matching Gifts

Check to see if your corporation offers a matching gift program. The following corporations have provided matching gifts: Amazon Smile, America Express Philanthropy, Ameriprise, Ares Management, Bank of America, Coach, Inc., Deutsche Bank America, Genentech, Inc., Goldman Sachs & Company, HBO, LeggMason Global Asset Management, MFA Financial, Inc., Schroder Investment, Strawberryfrog, Thomson Reuters, Viking Global Foundation

Foundation Gifts

Donations were made by many families in Honor of Georgiana Stewart, upon her retirement from 17 years of service as a member of the Special Education faculty at BHS. These gifts were designated for the Special Education Fund.

IN HONOR OF

Franco D'Alessandro, Class of 1958, Natalie Latham, Robert Riggs 1951. Current Fourth Graders Layla Gold, Caroline Ryan, Anna Terjanian, who designated a portion of their birthday gift(s) to the Foundation.

IN MEMORY OF

Luke Patterson 1996, Katie Welling 2002, John Davis 1967, W. B. Taylor Eldon 1944, John Ely 1967, Jay Epley '54, David Foster 1978, Jeff Cooney 1976, Ruth Barrell, Member Bronxville School Faculty 1935-1973

The Foundation and Alumni

The Foundation helps alumni stay connected to the Bronxville School. We appreciate their important support of our mission.

Many thanks to the Alumni Classes who mark their reunions with donations. The Class of 1958 celebrated their 50th Reunion and the Foundation appreciates their generous Class Gift.

Alumni Walk

More than 2,000 bricks grace the entrance of the Bronxville School in a strong showing of support for the school by our alumni. Created in 1994, the Alumni Walk has grown through donations from graduates of all ages. Entire classes, as well as families and friends, purchase bricks to honor former students. This year the following alumni added their bricks to the walk:

Lyric Knickerbocker Abbott '19
 Marcus P. Beebe '55
 Hannah Beldotti '19
 Alexandra Mary Brumbaugh '19
 Jay Anthony Burstein '19
 Michele Coppola '19
