

Dear Bronxville Alums,

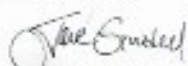

This is hard for me to believe, but in just a few months I will be living in a house with three Bronxville School alums. My husband (Class of 1977) and our kids (Class of 2019) share what they call a "Bronco bond." You probably know it well. They have developed lifelong friendships on this special campus by collaborating in the classroom, playing on the athletic fields, performing on the auditorium stage – and much more.

The pressing question for public educators these days is how to maintain high standards while costs are rising and state aid is dwindling. The Bronxville School Foundation is a big part of the answer. Over the course of 27 years, the Foundation has had a significant impact by providing resources to our faculty and students that would otherwise not be available.

I encourage you to read through the enclosed Annual Report to learn about the 45 grants awarded in the 2017-18 school year, totaling \$660,000.

The Foundation's success is based upon the incredible generosity of the Bronxville School families — and its alumni. A gift of any size is welcome! Please note, the Foundation's expenses are covered by our endowment, so your donations are 100% invested in the Bronxville School. Please reach out to the Foundation's Executive Director Peggy Benziger Williams (Class of 1975) (Pwilliams@bronxvilleschool.org) with any questions. Thank you for your support!

Sincerely,

Jane Goodell

Congratulations and Thank You Class of 1958!

While the Class of 1958 was not able to gather in person, they got together "virtually" and made a generous group donation.
