

THE
BRONXVILLE
SCHOOL
FOUNDATION

CELEBRATING THE CENTENNIAL

THE BRONXVILLE SCHOOL 1922-2022

Annual Report
June 2022

OUR MISSION

The Bronxville School Foundation was incorporated in 1991 to enhance the quality of public education in our community by engaging the support and energies of educators, citizens, parents, students, and alumni. The Foundation awards grants for projects that do the following:

- Strengthen the curriculum by serving as a catalyst for the development and promotion of innovative programs.
- Support additional training for faculty members and enhance educational resources available to them.
- Provide financial assistance for special school facilities and equipment.
- Increase awareness and support for the school.

On the Cover: This beautiful watercolor painting by Bronxville artist William Q. Dowling was gifted to the Bronxville School by the Bronxville Historical Conservancy in honor of the 2022 Centennial. Bill is a past co-chair of the Conservancy.

Project LUSY - "Let Us Seedfund You" Grant

FROM OUR CHAIRPERSON

Dear Friends,

First, I want to thank the many supporters of the Bronxville School Foundation. Your time and funding have helped differentiate the Bronxville School in so many ways. With your help, our teachers and students have the training, technology, equipment, and facilities they need to adapt to the present and prepare for the future. This is proven by the material support the BSF provided to help the school during the pandemic, the high demand for BSF-funded programs like robotics and artificial intelligence, critical support and equipment for the arts and athletics, and ultimately the strong matriculation and performance of our alumni.

As this annual report will highlight, the BSF has funded 165 grants totaling \$3.1 million over the last five years. Grants have been written by teachers, students, parents, and the administration to fund new curricula, training, equipment, and facilities across the Elementary, Middle, and High Schools. The Bronxville School and our students continue to excel based on your generous support.

As you know, this is a special year, the 100-year anniversary of the Bronxville School. We understand there is high demand for everyone's time and capital from many organizations. However, especially this year, we are hoping for 100% participation from Bronxville School families (any amount helps) and strong support from our alumni to further strengthen our position in the increasingly competitive yet budget-constrained environment. One exciting project that the Bronxville School Foundation and the PTA are jointly funding are outdoor classrooms for K-12 students. Please consider a donation to support the school's, teachers', and students' needs (www.bronxvilleschoolfoundation.org).

Lastly, I want to acknowledge the loss of Tom Welling, who passed away earlier this year. Tom was a wonderful father, husband, member of the Bronxville community, and member of the Bronxville School Foundation Board of Directors for three years. He was the driving force for the annual Katie Welling Run, in memory of his daughter, which is held every November and benefits the BSF.

The Bronxville School Foundation Board is always interested in your questions and suggestions. Please don't hesitate to reach out anytime via bsfoundation@bronxvilleschool.org.

Thank you again for your support.

Brian E. Bodell

STEM Equipment

Performing Arts

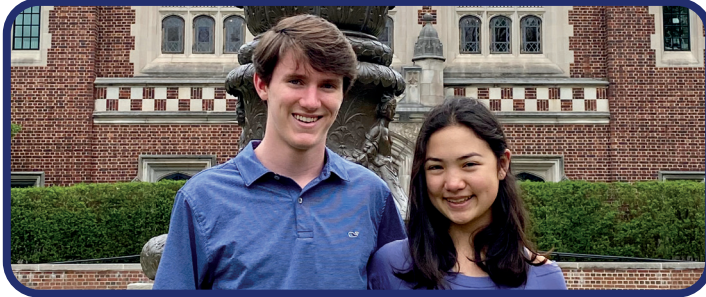

International Thespian Troupe

TOTAL: 27 GRANTS

AMOUNT: \$507,000

LIGHTHOUSE AWARD

Andrew Doyle & Remi Mellinghoff
2022 Lighthouse Award Recipients

The Bronxville School was founded in 1922 as a Lighthouse School, dedicated to the ideal that children are unique individuals with a right to an education that helps them achieve their highest potential at every stage of their development. In 1999, the Foundation established the Lighthouse Award. Each year, the award goes to member(s) of the junior class who exemplify the school's educational ideals of enthusiasm for learning, pride of accomplishment, self-discipline, self-esteem, and consideration for the ideas and values of others. Voted on by their classmates and faculty, Andrew Doyle and Remi Mellinghoff are the 2022 Lighthouse Award Recipients. They possess the qualities of mind, spirit, and service that the Foundation supports.

THE ANNUAL KATIE WELLING RUN & WALK

November 26, 2022

The Katie Welling Memorial Run & Walk is a great community event and Thanksgiving tradition to honor the memory of 2002 BHS Graduate, Katie Welling. We hope to have a live event this year on Saturday, November 26. This year, we also acknowledge the passing of Tom Welling, Katie's wonderful dad who led us in planning this special event for the last fifteen years. Tom was an incredible friend and asset to the Bronxville community. He will be deeply missed.

FROM OUR SUPERINTENDENT

The importance of community to the Bronxville schools cannot be overstated. Each year, the district is incredibly fortunate to benefit from the time, ideas and resources that organizations contribute to the district. The Bronxville School Foundation is a leader and model for the community as it engages our many stakeholders to envision opportunities to enhance education and the student experience and award grants to make these visions a reality.

The celebration of our district's centennial is an opportune time to reflect on the rich history of our schools while continuing to imagine education in a rapidly changing world. According to the World Economic Foundation, 65% of children entering primary school today will ultimately end up working in completely new job types that don't yet exist. The BSF strengthens our curriculum by serving as a catalyst for the development and promotion of innovative programs.

I have had the privilege of experiencing, first-hand, the benefit of the many grants that have been awarded to our schools. From the creation of outdoor learning spaces to funding professional development sessions, bringing artificial intelligence into the classrooms to providing equipment for athletics and the arts, the impact of the BSF grants is far reaching and can be seen on a daily basis.

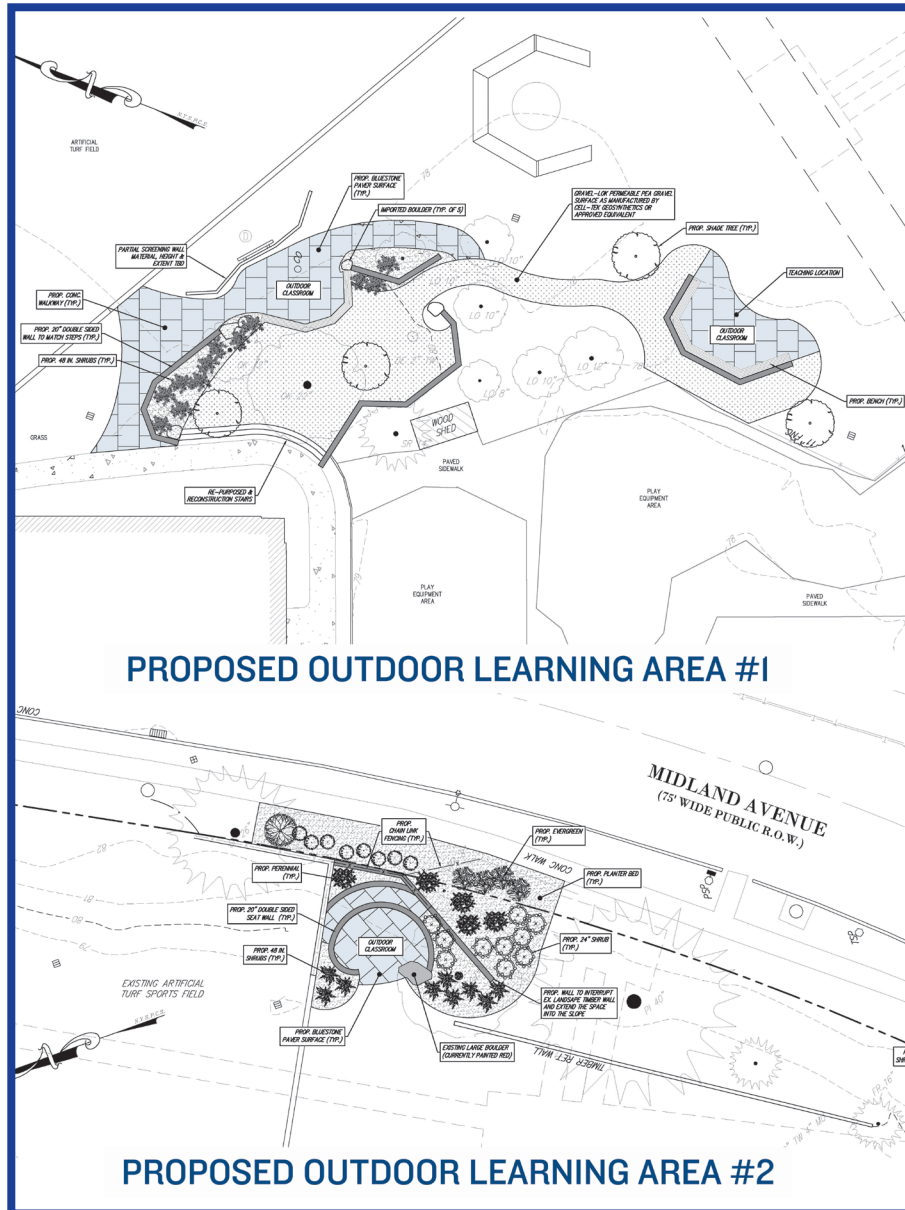

On behalf of the district, I extend my sincere gratitude to the BSF for its more than 30 years of support and for modeling the importance of philanthropy and citizenship for our students. Put simply, BSF makes our schools better. We look forward to our continued partnership for decades to come. Please join me in supporting this incredible organization. Go Broncos!

Roy R. Montesano, Ed. D
Superintendent of Schools

Our Centennial Gift

Innovative Learning Spaces of the Future

As a gift for the centennial, the Foundation and the PTA have partnered to provide \$310,000 in funding to build two outdoor learning areas that will be utilized by the Elementary, Middle, and High Schools. After the pandemic began, faculty and students responded positively to increased class time outside, and the school expects the appeal of outdoor instruction to continue going forward. Upon completion of the state approval and bidding process, construction of the outdoor learning spaces is expected to begin next summer.

HOW THE FOUNDATION HELPS ENHANCE EXCELLENCE

WHY WE EXIST

The Foundation exists to fund important and innovative projects the District budget cannot cover. These enhancements are vital to creating an excellent overall educational experience for our children and keeping our school competitive.

WHAT WE DO

The Foundation's 30-member volunteer board works with teachers, the administration, students, and parents to identify innovative ideas that will have the greatest impact on the most students. The Foundation board performs extensive due diligence on grant proposals submitted for these ideas and raises money each year from school families, alumni, and community members to fund approved grants.

OUR FUTURE

The Foundation's work is more critical than ever given the constraints of these unprecedented times. It is only through the ongoing and generous support of the community that we will keep our school and village strong.

THE
BRONXVILLE
SCHOOL
FOUNDATION

Foundation projects touch every student, elevating their educational experience in academics, the arts, athletics, and student support services.

The Foundation enhances excellence at our school by helping maintain the competitive advantages that keep our community strong and support fulfillment of the Bronxville Promise.

WHAT'S COMPELLING

Foundation funds have direct and immediate impact by making many cutting-edge curricular and technology improvements possible. The grants are fast and flexible — many projects funded in May are up and running in classrooms in time for the new school year.

WHAT DIFFERENTIATES US

The Foundation and the PTA play different, but complementary, roles at the Bronxville School. The Foundation funds grant requests, primarily from teachers and administrators, for faculty training, curriculum enhancements, and upgrades to equipment and facilities. The PTA serves as a vital link between the school and parents to support communication, after-school enrichment programs, and athletic and community traditions.

SCHOOL & COMMUNITY IMPACT

The Foundation positively impacts all three schools by making facilities improvements and supporting academics, arts, athletics, student support services, and faculty. By maintaining vital connections with alumni and the broader Bronxville community, the Foundation provides a means for all constituents to partner for the Bronxville School's progress.

WAYS TO GIVE

Most donors give during our annual fund drive in the fall when Foundation board members send letters out to the community, but gifts are made throughout the year. We also sponsor the Katie Welling Memorial Run & Walk, a great community tradition in November. Alumni support the Foundation through the Alumni Fund-Raising Drive and the Alumni Brick Walk in which alumni (or their families) purchase inscribed pavers for the brick walk in front of the school. Some donors give "In Memory Of," "In Recognition Of," "In Honor Of," or as planned Gifts/Bequests. Gifts may be in the form of cash, securities, or life insurance.

Donate Now!

Thanks to the generosity of our community, total contributions for 2022 were \$483,574.

Foundation Designated Gift Funds:

Endowment Fund:

You may choose to donate to the Foundation's Endowment Fund to provide a reserve of support for the Foundation's work. Appreciation and interest earned by Endowment Fund investments currently cover all Foundation overhead so virtually every dollar donated goes directly to funding grants.

Other Designated Foundation Gift Funds:

Fund for Science Education
Fund for Special Education

Robert K. Jackson Fund for the Performing Arts
Dr. Erna Christensen Fund for Language Arts in Elementary School

Honorary Gifts:

This year donors made the following generous gifts to the Foundation:

IN HONOR OF:

A. Wright Elliot, Michael Farber, Gabriel & Grace Kozlowski,
Natalie & Sabrina Latham, Pam Simpson

IN MEMORY OF:

Cynthia Ann Rogers Barnhart '52, Jeff Cooney '76,
David W. Foster '78, Katie Welling '02

Audited financial statements with details are available upon request.

CORPORATE MATCHING GIFTS

Please check if your employer offers a matching gift program. The following corporations have provided matching gifts: American Express Foundation, Ameriprise, Barry Family Foundation, CBRE, Equitable Foundation, Franklin Templeton Investments, Genentech, Inc., Goldman Sachs & Co., Google, Hearst Corporation, Lazard Foundation, Legg Mason Global Asset Management, MBIA Foundation, Microsoft, Moody's Foundation/CAF America, Neuberger Berman Group LLC, Oath, Inc., Orbimed, S&P Global Foundation and TPG

THE FOUNDATION AND ALUMNI

We are so grateful alumni reunions were back this year! We appreciate the alumni's support of our mission. Many thanks to the classes that mark their reunions with donations.

Class of 1970

Class of 2002

Alumni Walk

More than 2,300 bricks grace the entrance of the Bronxville School in a strong showing of support for the school by our alumni. Created in 1994, the Alumni Walk has grown through donations from graduates of all ages. Entire classes, as well as families and friends, purchase bricks to honor graduates and school staff. This year the following bricks were added to the walk:
